It was the association's tenth convention. The members after landing at the test of Beach street declared that it was just as not here as in old Virginia and maybe even a little hotter. On the way up the members discussed the future of totacco growing in the South, particularly in Virginia. North Carolina and South Carolina. President T. M. Garrington, who was reelected, recommended in his report that the farmers should be urged not to overproduce the leaf but rather to curtail production. Low prices, he said, were due chiefly to overproduction.

Resolutions were adopted asking the United States Government to send experts into North Carolina. South Carolina and Virginia to test the various soils there and to make a report as to the best means of improving their productiveness. Much of the soil, the report said, had run out and see things, including the Hudson, instituted certiorari proceedings on the

period.

The interest awarded by the final order of Justice Giegerich is exactly 10 per cont. of the taxes paid.

BETHESDA NATURE RESORT

the investor an Opportunity backed by Skill, Experience and Sound Business Judgment, Bethesda.

N. J., & miles from New York City. N. Y., S. & W. R.R. and D., L. & W. R.R. runwithin a few miles of the property. Located between Green Pond and Bowling Green Mountain, 1.200 feet above the sea level, the location and surroundings being unquestioning the most healthful and one of the most beautiful in the State of New Jersey.

The BETHESDA NATURE RESORT has aimed to apply the simple natural remedies orded by Nature to the treatment of diseases. Its success is attested by the fact that or the stabilishment in 1900, hundreds have testified to the benefits received; many have a cured of various aliments pronounced incurable by the test medical specialists and doctors he world.

Many an enterprise in the beginning of its career was forced to go into the open market for funds for development.—Bell Telephone stock was peddled around at one time. Chauncey Dependence to take a block of it free!

OUR PROPOSITION—BETHESDA NATURE RESORT is incorporated stock. We have placed on the market an allotment of preferred stock aerying a 7 per cent divide With every 10 shares of this preferred stock that you purchased at par 510 00 a share, we give written shares of common stock. You thus get an actual fixed income on your preferred stock, it also share in the earnings of the company on your bonus of common stock. This bonus may withdrawn at any time—prompt action is necessary if you wish to take advantage of this liberal offer 5100 investment in this stock may make you independent for life. An investment of 5100 in a similar enterprise a few years ago is now worth \$10,000 and is certaing every year \$1,200. Enter son says: "A single lavestment may be worth a lifetime of labor."

NOW is the time for you to act. Remember that we do not have to spend a dollar to create a demand-but merely to satisfy one that already exists. Fill out the attached

coupon now-send it to this office and we will at once send you full and complete information.
